## IOTC CIRCULAR 2019–28

Dear Sir/Madam

### VACANCY FOR A FISHERY OFFICER (SCIENCE) AT THE IOTC SECRETARIAT

The IOTC is seeking qualified applicants for the position of Fishery officer (Science). The position is graded P3 and the key functions include:

- Contributing to the planning, coordination and delivery of the Commission's science activities.
- Contributing to the development, implementation and delivery of research programs and projects relevant to the information needs of the Commission.
- Drafting material/documents for the IOTC Scientific Committee and its subsidiary bodies.
- Participating in scientific and technical meetings, including the IOTC's working parties and science capacity building workshops.
- Undertaking reviews of scientific issues, as requested by the IOTC Scientific Committee and/or Commission.

I would appreciate your assistance to circulate this information to potential candidates.

To apply, candidates need to visit the FAO employment website [[click here](#)] and complete an online profile and application. Applications close on 29 July 2019, and only applications received through the FAO portal will be considered.

Yours sincerely

Christopher O'Brien  
Executive Secretary
