IOTC CIRCULAR 2019–43

Dear Sir/Madam

A REVISION TO THE REPORT OF THE 23RD SESSION OF THE IOTC — INCLUDING THE LATEST VERSIONS OF CMMS

A revision to the report of the 23rd Session of the Indian Ocean Tuna Commission, held in Hyderabad, India, from 17-21 June 2019, has been posted on the IOTC website [[click here](#)].

Only Appendix 6 (Conservation and Management Measures adopted in 2019) of the original S23 Report has been changed in this revision.

As indicated in IOTC Circular 2019-36, the changes to the the CMMS pertain to minor editorial corrections and structural changes in Resolution 19/01 and 19/04 which resulted in a change in the number of paragraphs from the previous versions. In addition, an error identified in Resolution 19/07 has been corrected. This related to paragraph 2, where the 3rd sentence has been truncated in accordance with agreements made during the commission meeting.

The CMM's included in IOTC-2019-S23-R_Rev1 should be considered to be the definitive versions.

Yours sincerely

Christopher O'Brien
Executive Secretary
